

Ways to say NO!

Now's not a very good time

I would like to, I'm just now able to

I would if I could

Let me think about it

I'll get back to you

I can't do it right now.

No, I don't have any money right now

I'll get back to you about that

Maybe.

We'll see.

I think you need to stop that.

I'll have to get back to you.

Let me think about it.

Just Say no

Don't have any to Spare

I'm busy right now

I can't but I want to

I can but I don't want to

I can't, I'm trying to stop
Can you ask some else – try so & so
Not right now
You must be out of your mind!
I'll think about it
I don't have it
Stop that
It's unreasonable
It's not negotiable
I'm trying not to be so depressed
By court order
I can't fit it in to my schedule
I don't have the time right now
Maybe Later
Don't have it, I'm broke
Above my pay scale
It's more than I can afford
Sorry, I'm not available
Not right now, I don't have it
I have something else to do

I don't have any to spare
I don't think it's a good idea
Got any gas money
I'm busy at the moment
After I come from the doctors
Can't do it
I'm broke, ask somebody else
Can you remember my last answer?
What did I say before?
Now's not a good time
Ask me next week
I won't be able to
I don't have it at the moment
Can you remind me later?
I would love to, I just not able to right now
